

Gannet - day charters from Oban
 pickup locations - Gallanach Road, Oban
 SATNAV-postcode to enter for mooring location (B) is **PA34 4PD**

Follow the 'car ferry' road signs around Oban town centre into Gallanach Road. Drive past (1) the Oban Ferry Terminal entrance, continue on past (2) the Lighthouse Pier and (3) the Manor Park Hotel all on your right. Speed limit here is 20mph.

The **landing stage (A)** is located on the right just beyond a sharp left bend. You'll see yachts and workboats moored all along this stretch of shore

For pickup at Gannet's **mooring (B)** - carry on for another 500 metres or so, and pass (4) the Creagdhru Guest House. Stop here and look for a little jetty on the shore on your right opposite (5) the Cardentrive Guest House located on the corner at the junction of Glenmore Road.

We pick up and drop off our passengers in our large tender and transfer you to Gannet from this jetty – you'll find steps leading down to the shore opposite the Cardentrive Guest House.

There is free parking along some stretches of Gallanach Road.
